PROFILE

Hi, I'm Bright, hails from Nigeria, with over three years of experience in React Native and React. Currently seeking a front-end role, I am also open to considering full-stack positions. Proficient in Node.js, I possess a comprehensive understanding of both SQL and NoSQL databases. Beyond my professional pursuits, I am an avid explorer, always on the lookout for opportunities to learn and grow.

CAREER

Throughout my career as a software developer, I've been dedicated to crafting scalable and well-documented code. In both collaborative and solo settings, I have consistently made impactful contributions to diverse projects, showcasing adaptability, a strong commitment to excellence, and a talent for creative problem-solving. My proven track record reflects innovative thinking in addressing coding challenges, highlighting my enthusiasm for learning and contributing meaningfully to software development.

- SQL (MongoDB, MySQL)
- JavaScript (ES6, React, Node.js)
- HTML/ CSS

WORK EXPERIENCE

Software Developer

📅 January 2021 – August 2023 📍 Lagos, Nigeria

- Mentored two junior front-end developers on the team on React and documentation best practices within the organization
- Tested software for bugs and operating speed, fixing bugs and documenting processes to increase efficiency by 18%
- We reviewed the code and conducted testing for three additional features on a donor-facing web app that increased contributions by 12%
- Selected as the top-performing intern by the technology team

Full-stack Web Developer @creative mansion

📅 June 2020 – October 2023 📍 Lagos, Nigeria

- Collaborate with UI/UX designers to implement design mockups into functional web pages.
- Implement and optimize database structures (e.g., MongoDB, MySQL) for efficient data storage and retrieval.
- Troubleshoot and debug issues across the entire stack.
- Optimize application performance and ensure seamless user experience.
- Implement security best practices to safeguard web applications against common vulnerabilities.
- Actively participate in professional development and training to enhance skills.
